CITY OF ASHTABULA TOWN HALL MEETING ON SNOW PLOWING

Ashtabula Council President J.P. Ducro and Manager James Timonere have arranged for a town hall meeting at 3:00 p.m. on Saturday, January 31, 2015 to give citizens an opportunity to discuss the City of Ashtabula's snow removal procedures. The meeting will be held in Council Chambers at the Municipal Building.

The community is encouraged to attend to ask questions, offer suggestions and receive an overview along with a written copy of the City's current snow removal policy. This policy is available on the city website at www.cityofashtabula.com.

This meeting will be an opportunity to dialogue on how everyone can work together in severe winter weather to maximize response times. Citizens will be able to ask questions and receives answers from the people directly in charge of Public Services.

"Our hope is a weekend meeting will accommodate as many citizens as possible and allow them to come and educate themselves on the challenges the city faces during a snow emergency as well as express their ideas and concerns during these events," said Timonere. "This is our first time having a community forum on this type of topic which has been a concern of our citizens for a very long time, so I hope we see a good turnout. I appreciate Mr. Ducro's suggestion for the meeting."

If anyone has a question or concern and cannot attend, they may email inquiries to jim@ashtabulacity.com, jpducro@ducro.com or call the City Manager's Office at 992-7103.
