James Timonere, City Manager  
(440) 992-7103

The City of Ashtabula will host a Tire Amnesty Day to help residents and the City get rid of scrap tires which in turn will help control mosquito breeding areas.

The City was awarded a Mosquito Control Grant from the Ohio EPA in the amount of \$17,000.00. In addition to tire removal, trash collection, mosquito surveillance and larva control "dunks" will be funded with the grant proceeds. These activities help eliminate breeding sources for mosquito larva.

The City's Health Department will help administer the grant and has already begun surveillance and disbursement of dunks to areas where standing water cannot be removed. Residents may obtain the residential mosquito larvicide tablets for outdoor use in your garden ponds, fish ponds, water gardens, rain barrels, fountains and roof gutters at the City Health Department Monday through Friday from 8:00 – 12:30 and 1:30 to 4:30.

Ashtabula City residents will be able to bring up to four (4) passenger tires to the City's Transfer Station and dispose of them for free on Saturday July 22, 2017 from 9:00 a.m. to 12:00 p.m. The Transfer Station is located at 501 West 24<sup>th</sup> Street.

Citizens must provide proof of residency with an ID or utility bill bearing their City address. Additional tires can be disposed of at a cost of \$3.00 per tire without a rim and \$9.00 per tire with a rim.

The Transfer Station will also be open during this time if residents have bulk items they would like to dispose of. Normal dumping fees will apply.

Please contact the Department of Sanitation if you have any further questions at (440) 993-8101
